**Terry Reilly Health Services** is part of an organized health care arrangement including participants in OCHIN. A current list of OCHIN participants is available at [www.ochin.org](http://www.ochin.org) as a business associate of Adapt Oregon OCHIN supplies information technology and related services to **Terry Reilly Health Services** and other OCHIN participants. OCHIN also engages in quality assessment and improvement activities on behalf of its participants. For example, OCHIN coordinates clinical review activities on behalf of participating organizations to establish best practice standards and assess clinical benefits that may be derived from the use of electronic health record systems. OCHIN also helps participants work collaboratively to improve the management of internal and external patient referrals. Your personal health information may be shared by **Terry Reilly Health Services** with other OCHIN participants or a health information exchange only when necessary for medical treatment or for the health care operations purposes of the organized health care arrangement. Health care operation can include, among other things, geocoding your residence location to improve the clinical benefits you receive. The personal health information may include past, present, and future medical information as well as information outlined in the Privacy Rules. The information, to the extent disclosed, will be disclosed consistent with the Privacy Rules or any other applicable law as amended from time to time. You have the right to change your mind and withdraw this consent, however, the information may have already been provided as allowed by you. This consent will remain in effect until revoked by you in writing. If requested, you will be provided a list of entities to which your information has been disclosed.

**I certify the information provided here is true, complete, and accurate. I understand intentionally providing false information may exclude me from services at Terry Reilly. I will promptly notify Terry Reilly of changes in insurance, family income or size.**
